1 agenda

The agenda was passed, with the following additions:

1. What graphic design resources are we going to need?
2. When do we want to have the Zine together by?
3. Events

Which we placed at the beginning of the Agenda.

2 Graphic Design Resources

2.1 Wordpress

it turns out nobody present knows much of anything about the wordpress. As such, we weren't able to generate any data.

2.2 Mastodon&Matrix

Things like custom emojis, icons, backgrounds, colour schemes.

For know, it looks like @GoodnightGirl will be leading this project.

At some point we might switch to more Adbusters-y, avant-garde typesetting, but for now we really should automate it.

3 Positions

We wont have formal Buddies for this first edition, but we hope to buddy up most positions by the second edition.

Visual Art Director: Emberlynn (@GoodnightGirl)

General Editor: Kyle (@KyleN)

Everything Else: jacob (@aljedaxi) & kinda Val (@soundsofearth)
